

Terms and conditions

Please visit [this page](#) for our full disclaimer.

Our goal at EpiX Analytics is to provide you with the highest quality of risk analysis services and we pride ourselves on our considerable track record. We have gone to great efforts to thoroughly check the content of ModelAssist. However, we can not accept any responsibility for any possible errors or omissions that may be present in ModelAssist. We cannot, of course, take responsibility for any damage that could result from these errors or omissions.

Please [let us know](#) if you find any errors or omissions in ModelAssist, or if you have any suggestions for improvements and extra topics.
